

Calling all Volunteers!

Want to make an impact at your child's school? Here are your options for volunteering.

WHY VOLUNTEER?

Volunteers are an invaluable resource to our teachers and students. Schools that have a strong school volunteer base perform better. Our school has endless responsibilities but limited resources. Volunteers help bridge that gap. Taking tasks off the plate of teachers, administration, and staff frees them up to do what they do best: educate our kids!

SHORT ON TIME?

We get it. Parents are busy and often have limited spare time. Luckily, there are many opportunities to volunteer outside of school hours.

STEPS TO BECOMING A VOLUNTEER

Complete the Volunteer Application at <https://volunteerapp.lausd.net>
Use the QR code to access the Volunteer Application.

Print your application and Volunteer Commitment Form, sign them, and turn them in to the Pomelo office.
Use the QR code to access the Volunteer Commitment Form.

You'll also need Megan's Law clearance, a negative TB test (this is done every three years), and an uploaded and approved Covid-19 Vaccination Card on the LAUSD Daily Pass.

Once you have been approved, print your temporary badge. Your permanent badge can be picked up at school when it is ready.

WAYS TO VOLUNTEER

Help Out in the Classroom

Particularly in the lower grades, teachers need help with things like managing small groups, preparing lesson materials, and assembling packets to take home. Email your teacher and ask how you can help.

Volunteer During Enrichment

Pomelo gets the most out of enrichment programs like PE/Psychomotor and Garden when volunteers lend a hand.

Be a Room Representative for Your Child's Class
